1.3 The provisions of clauses 1.2 to 1.7 (inclusive) of the Loan Agreement shall apply to this Deed as though set out in full in this Deed, except that references to the Loan Agreement therein shall be constructed as references to this Deed.

- 1.4 Where this Deed imposes an obligation on the Chargor to do something if required or requested by the Chargee, it will do so as soon as practicable after it becomes aware of the requirement or request.

Security

2 Payment of Secured Obligations

The Chargor will pay or otherwise discharge all Obligations from time to time owing by it to the Chargee in connection with the Finance Documents when they become due for payment or discharge.

3 Charges

3.1 The charges contained in this clause 3:

- (a) are given to the Chargee;
- (b) secure the payment and discharge of the Secured Obligations; and
- (c) are given with full title guarantee.

3.2 The Chargor charges, by way of first fixed charge, all of the Rights which it now has and all of the Rights which it obtains at any time in the future in:

- (a) Equipment;
- (b) Investments;
- (c) Key Contracts;
- (d) Intellectual Property;
- (e) Debts; and
- (f) goodwill and uncalled capital,

and in any Rights accruing to, derived from or otherwise connected with them (including insurances and proceeds of Disposal and of insurances), unless it is contrary to any law or regulation in any jurisdiction for such assets to be subject to such a fixed charge.

3.3 The Chargor charges, by way of first floating charge, its undertaking and all its present and future assets other than those effectively charged under clause 3.2, unless it is contrary to any law or regulation in any jurisdiction for such assets to be subject to such a floating charge.

3.4 The Chargee may convert all or part of the floating charge created by the Chargor under clause 3.3 into a fixed charge by giving notice to that effect to the Chargor and specifying the identity of the assets concerned. This may be done on one or more occasion, but only (a) during an Enforcement Time or (b) if the Chargee reasonably considers that its security over the

assets concerned is in jeopardy and that it is necessary to do so to protect or preserve its security.

4 Set-off

- 4.1 The Chargee may set off any matured Secured Obligation due from the Chargor (to the extent beneficially owned by the Chargee) against any obligation (matured or otherwise) owed by the Chargee to the Chargor, regardless of the place of payment or currency of either obligation.
- 4.2 If the obligations are in different currencies, the Chargee may convert either obligation at a market rate of exchange in its usual course of trading for the purpose of the set-off.
- 4.3 These Rights are in addition to the security conferred on the Chargee under this Deed.

5 Restrictions

- 5.1 The Chargor will ensure that the restrictions contained in this clause 5 are complied with unless the Chargee agrees to the contrary.
- 5.2 No Security will exist over, or in relation to, any Charged Asset other than Chargee Security.
- 5.3 There will be no Disposal of any Fixed Charge Asset.
- 5.4 There will be no Disposal of any Floating Charge Asset otherwise than for market value in the ordinary course of trading of the Chargor.

6 Perfection

General action

- 6.1 The Chargor will, at its own expense, create all such Security, execute all such documents, give all such notices, effect all such registrations (whether at the Companies Registry, an asset registry or otherwise), deposit all such documents and do all such other things as the Chargee may require from time to time in order to:
 - (a) ensure that it has an effective first-ranking fixed charge over the Fixed Charge Assets;
 - (b) ensure that it has an effective first-ranking floating charge over the Floating Charge Assets; and
 - (c) facilitate the enforcement of the Chargee Security, the realisation of the Charged Assets or the exercise of any Rights held by the Chargee or any Receiver or Administrator under or in connection with the Chargee Security.

- 6.2 The scope of clause 6.1 is not limited by the specific provisions of the rest of this clause 6 or by any other provision of the Chargee Security Documents

Notification

- 6.3 If, after the date of this Deed, the Chargor acquires a new Subsidiary or Rights in any other material asset, it will notify the Chargee as soon as reasonably practicable and will provide it with such information about the acquisition as the Chargee may reasonably require.

Equipment

- 6.4 If required to do so by the Chargee, the Chargor will create a first legal mortgage over any Equipment owned by it at that time, in any form which the Chargee may reasonably require

Shares

- 6.5 If, at any time, the Chargor owns shares in a Subsidiary, it will:
- (a) on the date of this Deed (or, if it acquires the shares later, as soon as practicable after it does so), deposit with the Chargee all certificates or other documents of title to those shares and stock transfer forms for them, executed in blank by the Chargor;
 - (b) if required to do so by the Chargee (and to the extent that the Chargor is able to do so) amend the articles of association of the Subsidiary concerned in the manner reasonably required by the Chargee (and procure that the Subsidiary takes, or omits to take, all such other steps as the Chargee may require) in order to enable it to enforce its security without restriction; and
 - (c) if required to do so by the Chargee during an Enforcement Time (or once the Chargee Security is being enforced), procure that the Chargee or its nominee becomes registered as the legal owner of the shares concerned

Key Contracts

- 6.6 If, at any time, the Chargor has a Right in respect of a Key Contract, it will, on the date of this Deed (or, if it acquires the Right later, as soon as practicable after it does so), but only upon the request of the Chargee in relation to any Key Contract referred to in part (b) or (c) of the definition of Key Contract:
- (a) deliver a notice of this Deed to the other parties to the relevant Key Contract (other than the Chargee and AngloGold Ashanti Holdings Plc in relation to the Key Contract referred to in part (a) of the definition of Key Contract) substantially in the form set out in the applicable part of Schedule 2 (*Notices of charge*); and

- (b) use its best endeavours to procure that those parties deliver an acknowledgement of the notice to the Chargee substantially in the form set out in that part of that Schedule as soon as reasonably practicable.

Subsequent security

- 6.7 If the Chargee receives notice that any Security has been created over Charged Assets which the Finance Documents do not permit to rank in priority to the Chargee Security, the Chargee will be treated as if it had immediately opened a new account for the Chargor, and all payments received by the Chargee from the Chargor will be treated as if they had been credited to the new account and will not reduce the amount then due from the Chargor to the Chargee.

Financial Collateral

- 6.8 The parties to this Deed designate those Charged Assets which constitute Financial Collateral to be under the control of the Chargee, whether they are the subject of a fixed charge or of a floating charge under this Deed.

Enforcement

7 Enforcement

Time for enforcement

- 7.1 The Chargee may enforce the Chargee Security at any time which is an Enforcement Time or if the Chargor requests it to do so

 - (d) going into possession of, receiving the benefit of, or selling assets of the Chargor, giving notice to the Chargor or any other person in relation to any assets of the Chargor, exercising a right of set-off or in any other way it may decide, or
 - (e) taking any other action it may decide in any jurisdiction other than England
- 7.3 An Administrator must be appointed in accordance with the Insolvency Legislation.
- 7.4 A Receiver must be appointed by an instrument in writing, and otherwise in accordance with the Insolvency Legislation.
- 7.5 The appointment of a Receiver may be made subject to such limitations as are specified by the Chargee in the appointment.
- 7.6 If more than one person is appointed as a Receiver, each person will have power to act independently of any other, except to the extent that the Chargee may specify to the contrary in the appointment
- 7.7 Subject to the Insolvency Legislation, the Chargee may remove or replace any Receiver
- 7.8 If required by the Insolvency Legislation, an Administrator or Receiver must be a person qualified to act as such under it.

Powers on enforcement

- 7.9 An Administrator will have the powers given to him by the Insolvency Legislation.

- 7.10 An Administrative Receiver will have:
- (a) the powers given to him by the Insolvency Legislation;
 - (b) the powers given to a mortgagee or a receiver by the Law of Property Act 1925, but without the restrictions contained in section 103 of that Act, and
 - (c) the power to do, or omit to do, on behalf of the Chargor, anything which the Chargor itself could have done, or omitted to do, if its assets were not the subject of Security and the Chargor were not in insolvency proceedings.
- 7.11 A Specific Receiver will have the same powers as an Administrative Receiver in respect of the assets over which he is appointed.
- 7.12 The Chargee will, if it enforces the Chargee Security itself, have the same powers as an Administrative Receiver in respect of the assets which are the subject of the enforcement.
- 7.13 Except to the extent provided by law, none of the powers described in this clause 7 will be affected by an Insolvency Event in relation to the Chargor.

Status and remuneration of Receiver

- 7.14 A Receiver will be the agent of the Chargor until the Chargor goes into liquidation. He will have no authority to act as agent for the Chargee, even in the liquidation of the Chargor.
- 7.15 The Chargee may from time to time determine the remuneration of any Receiver.

Third parties

- 7.16 A person dealing with the Chargee or with a Receiver is entitled to assume, unless it has actual knowledge to the contrary, that:
- (a) those persons have the power to do those things which they are purporting to do; and
 - (b) they are exercising their powers properly.

8 Application of proceeds

All money received by the Chargee or a Receiver under or in connection with the Finance Documents (whether during, or before, enforcement of the Chargee Security) will, subject to the rights of any persons having priority, be applied in the following order of priority:

- (a) first, in or towards payment of all amounts payable to the Chargee, any Receiver or their Officers under clause 14 (*Expenses, liability and indemnity*) and all remuneration due to any Receiver under or in connection with the Chargee Security,

- (b) secondly, in or towards payment of the Secured Obligations in such order as may be required by the Finance Documents (and, if any of the Secured Obligations are not then payable, by payment into a suspense account until they become payable), and
- (c) thirdly, in payment of any surplus to the Chargor or other person entitled to it.

Undertakings

9 Investments

- 9.1 During an Enforcement Time (and also once the Chargee Security is being enforced), the Chargee will be entitled to receive all distributions in respect of the Chargor's Investments for application in accordance with clause 8 (*Application of proceeds*). Otherwise, the Chargor will be entitled to receive those distributions.
- 9.2 During an Enforcement Time (and also once the Chargee Security is being enforced), but only upon written notice to the Chargor, the Chargee will be entitled to exercise all voting and other Rights in respect of the Chargor's Investments. Otherwise, the Chargor will be entitled to exercise those Rights.
- 9.3 To the extent that the holder of the Investments is not the person entitled to receive those distributions and exercise those Rights, the holder will pay the distributions to the person entitled to them and will exercise those Rights in accordance with the reasonable requirements of the person entitled to exercise them.
- 9.4 The Chargor will promptly pay all calls, instalments or other payments which from time to time become due in respect of any of its Investments, and the Chargee will not in any circumstances incur any liability in respect of them.

10 Key Contracts and Debts

- 10.1 The Chargor will:
- (a) comply with all of its obligations under each Key Contract; and
 - (b) use its best endeavours to ensure that the Chargee receives the full benefit of each Key Contract after an Enforcement Time and also once the Chargee Security is being enforced.
- 10.2 The Chargor will not:
- (a) agree to alter the terms of, or terminate, any Key Contract; or
 - (b) waive its rights under a Key Contract,
- without the consent of the Chargee
- 10.3 The Chargee will give its consent under clause 10.2 if, in its reasonable opinion, any such alteration or waiver will not materially affect the effectiveness or value of its security over the Key Contract concerned.

- 10.4 The Chargor will, if required by the Chargee, promptly collect all Debts as agent for the Chargee and pay all the proceeds into such accounts as the Chargee may from time to time specify

11 Intellectual Property

- 11.1 The Chargor will promptly notify the Chargee of its acquisition of, or agreement to acquire, material Intellectual Property and any action taken to register the Intellectual Property.
- 11.2 The Chargor will:
- (a) take all necessary action to safeguard and maintain its Rights in connection with Intellectual Property, including obtaining all necessary registrations and paying all applicable renewal fees and licence fees;
 - (b) not allow any Intellectual Property to be abandoned or cancelled or to lapse; and
 - (c) protect its Intellectual Property against theft, loss, destruction, unauthorised access, copying or use by third parties and, immediately on becoming aware of any material infringement of, or challenge to, any of its Intellectual Property, inform the Chargee and take any steps at the cost of the Chargor as the Chargee may from time to time reasonably specify in relation to the infringement or challenge.

12 General undertakings

- 12.1 The Chargor will take all steps as are reasonably necessary to preserve the value and marketability of its Charged Assets.
- 12.2 The Chargor will notify the Chargee as soon as it becomes aware of any matter which might reasonably be expected to have an adverse effect on the Rights of the Chargee under the Chargee Security. Those matters include a breach or purported breach of a Key Contract by any party to it and a claim by any person to an interest in a Charged Asset.
- 12.3 The Chargor will provide to the Chargee:
- (a) such information about the Charged Assets;
 - (b) such information about the extent to which it has complied with its obligations under this Deed; and
 - (c) copies of such documents which create, evidence or relate to its Charged Assets,
- as the Chargee may from time to time reasonably request.
- 12.4 If the Chargor does not comply with its obligations under this Deed, the Chargee may do so on the Chargor's behalf on such basis as the Chargee may reasonably decide. That Chargor will

indemnify the Chargee on demand against the amount certified by the Chargee to be the cost, loss or liability suffered by it as a result of doing so.

Miscellaneous

13 Duration of the security

- 13.1 The Obligations of the Chargor under the Finance Documents and the security created by the Chargee Security will continue until the Secured Obligations have been irrevocably and unconditionally paid or discharged in full, regardless of any intermediate payment or discharge in whole or in part
- 13.2 If any payment by the Chargor or any other security provider or any release given by the Chargee (whether in respect of the Secured Obligations or any security for them or otherwise) is avoided or reduced as a result of insolvency or any similar event:
- (a) the liability of the Chargor under this Deed will continue as if the payment or release had not occurred; and
 - (b) the Chargee will be entitled to recover the value or amount of that security or payment from the Chargor, as if the payment or release had not occurred
- 13.3 Section 93 of the Law of Property Act 1925 will not apply to the Chargee Security

14 Expenses, liability and indemnity

- 14.1 The Chargor will, on demand, pay all reasonable legal and other costs and expenses (including any stamp duty, registration or other similar taxes) incurred by the Chargee or by any Receiver in connection with the Chargee Security. This includes any costs and expenses relating to the enforcement or preservation of the Chargee Security or the Charged Assets and to any amendment, waiver, consent or release required in connection with the Chargee Security.
- 14.2 Neither the Chargee nor a Receiver nor any of their Officers will be in any way liable or responsible to the Chargor for any loss or liability of any kind arising from any act or omission by it of any kind (whether as mortgagee in possession or otherwise) in relation to the Charged Assets or the Chargee Security, except to the extent caused by its own gross negligence or wilful misconduct.
- 14.3 The Chargor will, on demand, indemnify each of the Chargee, a Receiver and their Officers in respect of all costs, expenses, losses or liabilities of any kind which it incurs or suffers in connection with:
- (a) anything done or omitted in the exercise of the powers conferred on it under the Chargee Security, unless it was caused by its gross negligence or wilful misconduct;

- (b) a claim of any kind (whether relating to the environment or otherwise) made against it which would not have arisen if the Chargee Security had not been granted and which was not caused by its gross negligence or wilful misconduct; or
- (c) any breach by the Chargor of the Finance Documents

15 Payments

- 15.1 All payments by the Chargor under the Chargee Security Documents will be made in full, without any set-off or other deduction
- 15.2 If any tax or other sum must be deducted from any amount payable by the Chargor under the Chargee Security Documents, the Chargor will pay such additional amounts as are necessary to ensure that the recipient receives a net amount equal to the full amount it would have received before such deductions.
- 15.3 All amounts payable by the Chargor under the Chargee Security Documents are exclusive of VAT. The Chargor will, in addition, pay any applicable VAT on those amounts.
- 15.4 If the Chargor fails to make a payment to a person when it falls due under the Chargee Security Documents, it will pay interest to that person on the amount concerned at the Default Rate from the date it should have made the payment until the date of payment (after, as well as before, judgment)
- 15.5 No payment by the Chargor (whether under a court order or otherwise) will discharge the Obligation of the Chargor unless and until the Chargee has received payment in full in the currency in which the Obligation is denominated. If, on conversion into that currency, the amount of the payment falls short of the amount of the Obligation concerned, the Chargee will have a separate cause of action against the Chargor for the shortfall.
- 15.6 Any certification or determination by the Chargee of an amount payable by the Chargor under this Deed is, in the absence of manifest error, conclusive evidence of that amount.

16 Remedies

- 16.1 The Rights created by this Deed are in addition to any other Rights of the Chargee against the Chargor or any other security provider under any other documentation, the general law or otherwise. They will not merge with or limit those other Rights, and are not limited by them.
- 16.2 No failure by the Chargee to exercise any Right under this Deed will operate as a waiver of that Right. Nor will a single or partial exercise of a Right by the Chargee preclude its further exercise

16.3 If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of that provision in any other respect or under the law of any other jurisdiction will be affected or impaired in any way.

16.4 If it is contrary to any law or regulation in any jurisdiction for any assets subject to any Chargee Security to be so subject, then such assets shall be deemed to be excluded from the Chargee Security.

17 Power of attorney

The Chargor, by way of security, irrevocably appoints each of the Chargee and any Receiver severally to be its attorney:

- (a) to do anything which the Chargor is obliged to do under the Chargee Security Documents; and
- (b) to exercise any of the Rights conferred on the attorney by the Chargee Security Documents or by law

18 Notices

18.1 Any notice or other communication to a party to this Deed must be in writing. It must be addressed for the attention of such person, and sent to such address or fax number as that party may from time to time notify to the other parties.

18.2 It will be deemed to have been received by the relevant party on receipt at that address or fax number.

18.3 The initial administrative details of the parties are contained in Schedule 1 (*Initial administrative details of the parties*) but a party may amend its own details at any time by notice to the other party.

18.4 Any notice to the Chargor may alternatively be sent to its registered office or to any of its places of business or to any of its directors or its company secretary; and it will be deemed to have been received when delivered to any such places or persons.

19 Law and jurisdiction

19.1 This Deed and any non-contractual obligations connected with it are governed by English law

19.2 The courts of England and Wales have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed or any non-contractual obligations connected with it (including a dispute regarding the existence, validity or termination of this Deed) (a **Dispute**).

- 19.3 The parties agree that the courts of England and Wales are the most appropriate and convenient courts to settle Disputes and, accordingly, that they will not argue to the contrary.
- 19.4 Clause 19.2 is for the benefit of the Chargee only. As a result, the Chargee will not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Chargee may take concurrent proceedings in any number of jurisdictions.
- 19.5 The Chargor irrevocably appoints Norose Notice Limited (attention: Partnership Office Manager, ref: LN48346) at its registered office from time to time to receive on its behalf process issued out of the English courts in connection with this Deed.
- 19.6 Failure by the process agent to notify the Chargor of the process will not invalidate the proceedings
- 19.7 If this appointment is terminated for any reason, the Chargor will appoint a replacement agent and will ensure that the new agent notifies the Chargee of its acceptance of appointment.

This Deed has been executed as a deed, and it has been delivered on the date stated at the beginning of this Deed.
